

FOR IMMEDIATE RELEASE

WATERJETS UNLIMITED APPEARS ON THE ABC TELEVISION PROGRAM, “EXTREME MAKEOVER: HOME EDITION”.

Long Island, New York – Waterjets Unlimited was selected to provide their services on an episode of “Extreme Makeover: Home Edition” on ABC Television. Waterjets Unlimited President, Mark Grindel met with the producers and was selected to produce a custom one-of-a-kind 12’ x 12’ floor for the children’s playroom incorporating the popular TV show’s logo into durable rubber EVA foam matting.

“We were honored to have been asked to participate in the show and had a great time working on this project” said Mark Grindel, “We digitized the Extreme Makeover – Home Edition logo and created a cutting file in different colors. We created the finished floor within 5-days as is the time frame of the show’s taping.

Waterjets Unlimited would also like to thank Keith Brady and Robert Peterson of Flow International Corp. for the donation of the rubber EVA foam matting used for this project.

Waterjets Unlimited is a leading provider of material cutting services, cutting complex and intricate shapes using water pressurized up to 60,000 psi and forced through a small nozzle. Waterjet Cutting is ideal for a wide range of materials from soft foams and plastics to stone and hardened steels. For high volume production or even single piece prototypes, Waterjets has proven to be one of the highest quality firms in the business.

“Extreme Makeover: Home Edition” is produced by Endemol USA, a division of Endemol Holding. The series is executive-produced by Tom Forman. The show airs Sundays (8:00-9:00 p.m. ET), on the ABC Television Network.
